9.0 COVENANTS OF THE AUTHORITY

- 9.1 If the First Nation has obtained all necessary certifications and approvals from the Board and complied with this Agreement, the SRTA Management Agreement, the Act, the by-laws and policies of the Authority and a Borrowing Law, the Authority shall review the request for financing of the First Nation set out in a Security Issuing Council Resolution and, in consideration of relevant market and economic conditions may, in accordance with the Act, authorize the issue and sale of debt securities to raise funds requested by the First Nation or provide Interim Long Term Financing to the First Nation, in either case to be loaned to the First Nation to finance a specified Purpose.

- 10.3 Recognizing that the term to maturity of debt securities issued by the Authority may not be the same as the First Nation's requested term for financing from the Authority for a Purpose, the First Nation may by resolution of the Council request that the Authority fix the interest rate on the loan from the Authority to the First Nation at the time of the borrowing described in the Security Issuing Council Resolution for the full term of the borrowing.
- 10.4 If the Authority provides Interim Long Term Financing to the First Nation, the amount of the loan withheld under subsection 84(2) of the Act and deposited in the Debt Reserve Fund in relation to the Interim Long Term Financing will be credited to the First Nation in determining the amount to be withheld under subsection 84(2) of the Act upon the subsequent issue of debt securities by the Authority to raise the funds requested by the First Nation.
- 10.5 The First Nation acknowledges that the Authority may, from time to time, review the Other Revenues referred to in a Borrowing Room Calculation Certificate against the actual amount of such Other Revenues received in the Secured Revenues Trust Account and may, in its discretion, reduce the amount of financing that the Borrowing Member is permitted to request from the Authority.

11.0 CONDITIONS OF FINANCING

11.1 In addition to the provisions of sections 9.1, 10.1 and 10.2 of this Agreement, any decision of the Authority to provide financing to the First Nation under those sections is conditional upon the following:

12.0 PAYMENT BY THE FIRST NATION

12.1 Upon completion by the Authority of any financing undertaken pursuant to a Security Issuing Council Resolution, the First Nation shall, at a time that the Authority requests, execute and deliver a Promissory Note to the Authority.

- 12.2 The Promissory Note issued under section 12.1 shall be executed on behalf of the First Nation in accordance with the Security Issuing Council Resolution. The Promissory Note shall provide for payment by the First Nation to the Authority of the amounts required to meet the obligations of the Authority with respect to each of its borrowings undertaken pursuant to the First Nation's Borrowing Law and applicable Security Issuing Council Resolution.
- 12.3 The Promissory Note issued under section 12.1 shall be dated and payable in Canadian dollars and shall set out the schedule of repayment by the First Nation of the principal amount together with interest as determined by the Authority.

- 12.5 The obligations under a Promissory Note as to both principal and interest shall be payable in such manner and at such time or times as determined from time to time by the Authority and as provided for in the Promissory Note.
- 12.6 The First Nation shall, in each fiscal year after a Promissory Note has been signed, provide in its annual budget for payment of all amounts payable to the Authority during the fiscal year to which its annual budget applies.
- 12.7 Payments shall be made to the Authority in accordance with the Act and the SRTA Management Agreement of such sums as are required to discharge the First Nation's obligations in accordance with the terms of a Promissory Note, provided that if sums provided for in a Promissory Note are not sufficient to meet the obligations of the Authority in relation to the issuance of securities or the provision of Interim Long Term Financing to raise the funds requested by the First Nation, any deficiency in meeting such obligations shall be a liability of the First Nation to the Authority and shall be paid to the Authority from the Secured Revenues Trust Account. If there are insufficient funds in the Secured Revenues Trust Account to meet these additional obligations, the First Nation shall pay any remaining amounts to the Authority.
- 12.8 If the First Nation's requested repayment term for a borrowing described in a Borrowing Law does not match the term for debt securities issued by the Authority to provide for the First Nation's borrowing, the First Nation may, by way of a Council Resolution, authorize the Authority to use a derivative product to fix the loan interest rate for the full repayment term, or if no such Council Resolution is provided to the Authority, then the First Nation's loan will be refinanced by the Authority as needed to meet the First Nation's desired term of repayment set out in its Borrowing Law. Any refinancing described in this section shall take place at the Authority's calculated interest rate in issuing new securities at the time of the refinancing.
- 12.9 In the event the First Nation wishes to prepay the amount owing under a Promissory Note the prepayment shall include the full amount of the principal and interest due on the maturity of the Promissory Note, or another amount as calculated by the Authority to fully discharge the First Nation's obligations and any additional cost incurred by the Authority in relation to the prepayment.

- 12.10 The parties acknowledge that the Authority may fund advances of Interim Long Term Financing to the First Nation by the issuance of commercial paper in the Canadian capital markets. The First Nation may not prepay any amount of Interim Long Term Financing unless such prepayment is made on the maturity date of the commercial paper utilized by the Authority to fund the applicable advance of such Interim Long Term Financing, and the amount of such prepayment is sufficient to repay the relevant commercial paper in full.
- 12.11 All payments by the First Nation to the Authority shall be made to the Authority on the due date as set out in the Promissory Note, or if the due date is not a Business Day then on the next Business Day.
- 12.12 The First Nation agrees to repay all amounts the First Nation owes to the Authority pursuant to this Agreement, a Promissory Note or the SRTA Management Agreement, prior to entering into a treaty, land claims agreement or self-government agreement with the Crown, unless:

- 13.2 On receipt of a request by the Authority pursuant to section 13.1, the First Nation shall, as promptly as reasonably practical, send a Direction to Payor to each of the Payors.
- 13.3 Within five days of receipt of the Direction to Payor acknowledged by a Payor, the First Nation shall forward the Direction to Payor to the Authority.
- 13.4 The First Nation hereby undertakes to do such other things and sign such further instruments as may from time to time be required by the Authority or the SRTA Manager as related to the establishment and management of the Secured Revenues Trust Account and collection of the Other Revenues used by the First Nation to secure financing from the Authority for a Purpose.

- 13.5 In the event that, notwithstanding section 13.1, there is a deficiency in meeting the obligations of First Nation under a Promissory Note, such obligations shall be a liability of the First Nation to the Authority and the Council shall make provisions to discharge such liability in accordance with section 12.7 of this Agreement.

15.0 DEFAULT BY THE FIRST NATION

- 15.1 The occurrence of any one or more of the following events or conditions is a default under this Agreement:
- (a) the First Nation defaults on a payment owing to the Authority under this Agreement, a Borrowing Law, Security Issuing Council Resolution or Promissory Note;
 - (b) the First Nation fails to comply with the Act in any material respect;
 - (c) the First Nation defaults in the observance or performance of any of the terms, conditions or covenants to be observed or performed by the First Nation under this Agreement;
 - (d) the First Nation or a Person on its behalf made a representation, warranty or statement to the Authority that was untrue in any material respect at the time it was made or deemed to be made;
 - (e) the First Nation defaults in payment of any indebtedness to any Person other than the Authority, or defaults in the performance of any term, provision or condition created in any agreement under which that indebtedness was created or is governed, where that default would allow that Person to cause the indebtedness to become due prior to its stated maturity, or any such indebtedness is declared to be due and payable other than by a regularly scheduled payment;
 - (f) the First Nation commits or threatens to commit any act of bankruptcy or becomes insolvent;
 - (g) the holder of a security interest delivers a notice of intention to enforce its security or take possession of all or any part of the First Nation's property, including the Secured Revenues Trust Account or any part of it, or an execution or other process of any court becomes enforceable against the First Nation;

 - (l) the First Nation fails to report Other Revenues to the Authority as required by the Act; or

- 15.2 If a default under section 15.1 occurs, the Authority, in its sole and absolute discretion, may declare all or any part of the First Nation's obligations under this Agreement, a Promissory Note or the SRTA Management Agreement immediately due and payable, without any further demand or notice of any kind.
- 15.3 Notwithstanding anything in this Agreement, no use of the Debt Reserve Fund or payment by other Borrowing Members to replenish the Debt Reserve Fund following a default by the First Nation on a loan payment to the Authority relieves the First Nation of its obligations under this Agreement, a Promissory Note, the SRTA Management Agreement or the Act.
- 15.4 If a default under section 15.1 occurs, in addition to any other remedies the Authority has under the Act or this Agreement, the Authority may take one or both of the following actions under section 86 of the Act:
- (a) request the Board to conduct a review and make a report to the Authority of the reasons for the First Nation's default, including any recommendation for an intervention under section 52 or 53 of the Act; or

- 15.6 In addition to any other remedies or obligations under the Act or this Agreement, where the First Nation defaults on a loan payment to the Authority under paragraph 15(1)(a) and that default leads to a reduction in the Debt Reserve Fund which other Borrowing Members are called upon to replenish, payments shall be made to the Authority from monies in the Secured Revenues Trust Account in order to repay amounts to other Borrowing Members who have been called upon to replenish the Debt Reserve Fund, together with amounts on account of investment income that would have been earned on the amount of the First Nation's default and any costs incurred by the Authority. If there are insufficient funds in the Secured Revenues Trust Account to meet these additional obligations the First Nation shall pay any remaining amounts to the Authority.
- 15.7 In each year following a default by the First Nation that led to the reduction in the balance of the Debt Reserve Fund, the Authority shall send to the Council a notice imposing a charge on the First Nation in an amount required to repay amounts outstanding after payment from the Secured Revenues Trust Account under section 15.6.
- 15.8 Upon receipt of the notice from the Authority sent under section 15.7, the First Nation shall forthwith pay to the Authority the amounts set out in the notice.
- 15.9 Upon receipt of payments from the Secured Revenues Trust Account under section 15.6 or payments made by the First Nation under section 15.8, the Authority shall pay to each of those Borrowing Members who have been called upon to replenish the Debt Reserve Fund a share of monies received from the First Nation proportionate to the amount of the total replenishment of the Debt Reserve Fund paid by each such Borrowing Member.
- 15.10 The First Nation agrees that all costs and interest incurred by the Authority as a result of a default by the First Nation under section 15.1, including any expenses of the Board agreed to be reimbursed by the Authority and all fees and disbursements paid by the Authority to its solicitors and counsel and any other Persons in connection with advising or reporting to the Authority with respect to a default by the First Nation, enforcement of this Agreement, co-management or third party management of the First Nation's Other Revenues under sections 52 or 53 of the Act and collection of monies owing to the Authority, shall be payable by the First Nation to the Authority forthwith from the Secured Revenues Trust Account. If there are insufficient funds in the Secured Revenues Trust Account to meet this obligation the First Nation shall pay any remaining amounts to the Authority.

16.0 REPAYMENTS FROM DEBT RESERVE FUND

- 16.1 Where upon default by another Borrowing Member that led to a reduction in the Debt Reserve Fund, the First Nation has contributed to replenishment of the Debt Reserve Fund, any repayment to the First Nation under subsection 84(6) of the Act shall be

reduced by an amount equal to the repayment monies received by the First Nation from the Authority in respect of such contribution.

17.0 INDEMNITY

- 17.1 The Authority does not agree to undertake or assume any responsibility or duty to the First Nation to select, review, inspect, supervise, pass judgment upon, or inform the First Nation of any matter in connection with a Purpose. The First Nation shall rely entirely upon its own judgment with respect to such matters; and any review, inspection, supervision, exercise of judgment or supply of information undertaken or assumed by the Authority in connection with such matters is solely for the protection of the Authority and neither the First Nation nor any other Person is entitled to rely thereon.

Such indemnification shall survive termination of this Agreement.

18.0 ENFORCEMENT OF THIS AGREEMENT

- 18.1 Nothing in this Agreement or any procedures or remedies in this Agreement shall prevent or restrict the Authority from exercising or relying upon any other legal or equitable remedies or procedures available to the Authority in addition to any remedies or procedures in this Agreement, in relation to enforcement of this Agreement or a Promissory Note.

19.0 SHARING OF INFORMATION

- 19.1 The First Nation consents to the sharing of information that it may provide to the Authority and Board between those institutions as may be required by them to carry out their duties, responsibilities and functions under the Act or as may be required in relation to this Agreement, and further acknowledges and consents to the disclosure of such information to such third parties in the financial industry by the Authority as is reasonably necessary for the Authority to engage in the issuance of securities or the provision of Interim Long Term Financing, secured by the First Nation's Other Revenues.
